

Fair Housing Act

Fashion Terrace supports that our residents deserve to be treated fairly and with respect at all times. The Fair Housing Act prohibits any preference or discrimination towards people because of their race, color, religion, sex, handicap, familial status, or national origin, or intention to make such preference, limitation, or discrimination. It is our goal to always comply with this act and ensure our residents feel safe, heard, and respected at all times.

Our organization seeks to follow this act and encourages all residents and visitors to ensure that they comply with the Fair Housing Act as well as any applicable state or local laws and regulations. We do not discriminate or show favoritism to any prospective resident and ensure that all residents are available on an equal opportunity basis.
